Knowing how busy everyone is during the week, I might suggest either after our call today or else tomorrow. If not then, Monday.

I'm checking to see what her availability is.

Hi Go Global Team,

I am writing today to provide you with the weekly update on our outreach efforts.

- We have reached out to a total of 347 potential investors via emails, calls etc. as of 5/19.
- Several parties have shown interest and are setting up the introductory calls
- Out of those, 7 parties have signed the NDA and have been provided Data Room access

- Few of those have completed the initial evaluation and have additional information requests to provide support. We have contacted Hilco, Lazard etc. for whatever they could provide while requests relevant to GoGlobal being forwarded to Yuen and Christian
- The most important thing from GoGlobal is to make the model/business plan available. The groups who have seen the Baby management plan have all been encouraged given your confidence in the management team, but are champing at the bit to see your version

Total Contacted	347
Passed	19
NDA Signed	8
Data Room Access	7

Additionally, I have attached the Info Request Checklist for your reference. Please note that this is a comprehensive list, and some items might not be relevant, but I have highlighted the high priority items.
We look forward to connecting tomorrow and receiving any available materials in the meantime.

Have a great rest of your evening!

Thanks & regards,

Abhishek Pathania

Subject: Call today / tomorrow

Go Global team,

We are assembling a status update re: our outreach, etc., along with follow up diligence questions we have received from various interested parties – we will have something for you shortly.

In the meantime, we wanted to schedule a call to touch base / status update. Is the team available for a call today or tomorrow?

Best
